

How to Clear Cookies if You Have Trouble Accessing UnimeStone

This guide is intended for users of **Google Chrome**, the recommended browser for using Rosetta Stone.

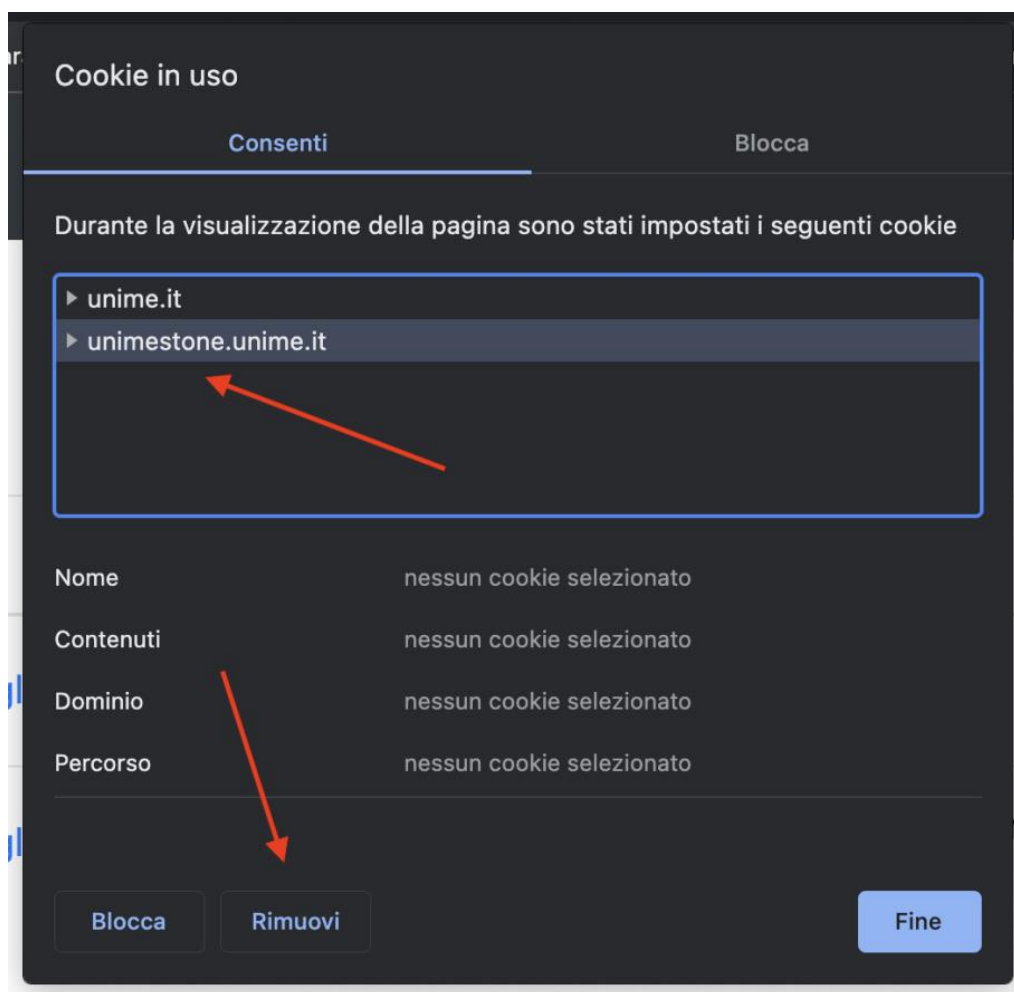

1. Open <https://unimestone.unime.it/> and click the padlock icon in the address bar, next to the website address.

2. From the drop-down menu, select “Cookie” (Cookies).

3. The window showing cookies currently in use will open. Select “**unimestone.unime.it**”, click “**Rimuovi**” (**Remove**), and then “**Fine**” (**Done**). After removing the cookies, close the web browser.

4. To sign in again, return to <https://unimestone.unime.it/> and follow the usual login procedure.
